The graph displays the maximum value of the function f over time t . The x-axis ranges from 220 to 290, and the y-axis ranges from 220 to 250. Three curves are shown: a blue curve (labeled 'Mat'), a black curve (labeled 'Mat'), and a green curve (labeled 'Mat'). The blue curve exhibits a prominent peak around $t=275$, reaching a value of approximately 248. The black and green curves remain relatively flat, with the black curve showing a small peak around $t=275$ and the green curve showing a small peak around $t=270$.
